2026 Georgia FBLA Chapter Spirit T-Shirt Contest

Guidelines

The annual Georgia FBLA Annual Chapter Spirit T-Shirt Contest will take place this year in conjunction with the Georgia FBLA Fall Motivational Rally at Six Flags and FBLA Day at the Georgia National Fair. Chapters not participating in the Fall Motivational Rally are not eligible to participate. Your chapter members must wear their shirts to the Rally and Fair. You must email a picture of your members in their shirt at the Rally.

Each chapter may enter one (1) t-shirt based on their chapter's design and theme of choice.

You must pin a 3" x 5" index card to the front of the shirt listing your school name, region, adviser's name, theme of t-shirt, and the method of printing used (screen vs. sublimation).

T-shirts and t-shirt designs become the property of Georgia FBLA and the designs may be changed and reproduced without the designer's consent. In line with our state project, t-shirts submitted will be donated to shelters across the state.

All t-shirts must be submitted at the Rally competition desk no later than 10:30 am on the day of the Rally. Judging will occur after the Rally, with winners announced at the Fall Leadership Conference.

Required Elements of the T-shirts:

The following items MUST appear on the visible portions of your shirt:

- *Name of School with FBLA included (not just school initials; you may use the initials FBLA, though)*
- *Theme of choice (you are recommended not to use the Forge Your Way logo as the predominant design element of your t-shirt – you can still use the logo but it just be part of the design). Please note that we do not have a vector version of the Forge Your Way logo.*
- *T-shirt must follow the new FBLA brand guidelines (you may not use the "old" FBLA flag logo). Please note that you if you use the new Delta symbol, it must be accompanied by the letters "FBLA" as referenced on the brand guidelines.*

The above must be on shirt. You are free to add anything else that would be appropriate.

This is your shirt. Just be sure and include all two items as stated above.

You must design the t-shirt in a graphics software application. The t-shirt must be screen printed or use a sublimation and heat press process; **therefore, t-shirts created using iron-on or designs will be disqualified**. Additionally, the shirt design must not have been used in a previous year or be used by another chapter. It is strongly recommended that your chapter members wear their t-shirts to the Rally.

Submission Guidelines

Rather than submitting your items before the Rally, all entries must be submitted at the Fall Motivational Rally competitive events table no later than 10:30 am on Monday, October 5 (Six Flags) or October 15 (Perry), as judging will occur after the Fair. T-shirts will not be accepted after 10:30 am. T-shirts will not be returned. You must get a picture of your students in their t-shirts at the Rally (either General Session or at the Fair). This picture must be emailed to georgiafblapics@gmail.com no later than October 20. Entries without a picture will not be judged.

Judging and Prizes

T-shirts will be judged by a panel of judges based on creativity, originality, color combination, text, and presence of the required elements mentioned above. All decisions of the judges are final. This will determine the winners in each division. T-shirts will not be returned to chapters; instead, t-shirts will be donated to shelters across the state. Results will be announced at the Fall Leadership Conference.

Prizes will be awarded to the top three entries in the high school division and the top two entries in the middle school division. All prizes will be awarded to the local chapter at the Fall Leadership Conference.
