2026 Georgia FBLA Membership Bulletin/Display Board Contest

Guidelines

Chapters are encouraged to develop a generic display board/bulletin board promoting FBLA and Georgia FBLA for this exciting new contest. This contest will take place this year in conjunction with the Georgia FBLA Fall Motivational Rally and FBLA Day at the Georgia National Fair. Chapters not participating in the Fall Motivational Rally are not eligible to participate.

Each chapter may enter one (1) entry consisting of a Membership Recruitment Display Board or Bulletin Board, based on an individual, team, or chapter design. The display board must be created and prepared by student members, not advisers. Local advisers should serve as consultants to ensure that the guidelines of the contest are followed, and that the board is well organized, contain substantiated statements, and are developed in an appropriate style. Entries must include photographs of a display board/bulletin board.

All entries (photographs of display board) must be submitted at the Rally competition desk no later than 10:30 am on the day of the Rally. Judging will occur after the Fair, with winners announced at the Fall Leadership Conference. Once submitted, the entries become the property of Georgia FBLA and the member and chapter relinquish all rights for sale, use, and distribution of the designs by Georgia FBLA. These materials may be used for publication and or reproduction for sale by the state chapter or national association.

You will only submit pictures of the display board/bulletin board. ACTUAL DISPLAY BOARDS WILL NOT BE JUDGED AND WILL BE DISCARDED.

Copyright Guidelines

Computer-generated type and public domain computer clip-art may be used. All entries must be the original work of the entrant. If copyrighted material is used, separate written permission must be included. Failure to follow this procedure results in disqualification.

Only public domain photographs or photographs owned by the chapter may be used in the display board/bulletin board

.

It is the policy of Georgia FBLA to comply with state and federal copyright laws. Please refer to the FBLA copyright guidelines as a reference on copyright information. All copyright information must be included on a separate document with the entry.

Required Elements of the Display Board/Bulletin Board:

Participants will develop a bulletin board/display board encouraging students to join FBLA.

- *Must be a standard project display board made of corrugated cardboard or foam board or a standard wall-mounted bulletin board*
- *The Georgia FBLA Logo (delta logo) must appear on the display board; the logo must be used in compliance with the national FBLA brand guidelines.*

Display/bulletin boards will be judged based on usability; graphics, text treatment, and special effects showing creativity and cohesiveness of design; appropriate selection of fonts and type sizes; overall layout and design being creative and appealing, and overall effort. See the rating sheet for more specifics. Display/bulletin boards must be designed and assembled at the local school. Rather than submitting the actual display /bulletin board, you must instead submit picture(s) of the display/bulletin board. Display/bulletin boards will be judged via photographs. These pictures must be printed on 8 ½" x 11" paper. You may submit no more than 10 pictures of the display/bulletin board but one picture must include the entire board. If more than one page is submitted, submit all pages in a clear sheet protector. Other items not attached to the board will be ignored. The pictures submitted must be actual photographs of the display board and not designs, sketches, or other renderings. You should use multiple pictures of the display board to show the different features of the display board. Through the multiple pictures, the judges should be able to clearly see the information and features displayed on the display board. These pictures must be submitted in hard copy. Pictures of the display board that are emailed will result in disqualification of the entire entry.

Submission Guidelines

If you are submitting multiple pages of pictures, these pages must be stapled in the upper left hand corner. The name of the school, school address, and region should be written on the back of the last page. Do not include this information on the sides of the pages containing the pictures. If more than one page is submitted, submit all pages in a clear sheet protector.

A copyright statement affirming that all graphics, pictures, music are property of the chapter, royalty free, or public domain. Written permission must be included for all items that do not meet these rules of ownership and usage.

Rather than submitting your items before the Rally, all entries must be submitted at the Fall Motivational Rally competitive events table no later than 10:30 am on Monday, October 5 (Six Flags) or Thursday, October 15 (Perry), as judging will occur after the Fair. Entries will not be accepted after 10:30 am. Entries will not be returned.

Once submitted, the entries become the property of Georgia FBLA and the member(s) and chapter relinquish all rights for sale, use, and distribution of the board by Georgia FBLA. These materials may be used for publication, distribution, and/or reproduction by Georgia FBLA.

Judging and Prizes

Entries will be judged by a panel of judges based on creativity, originality, color combination, text, and presence of the required elements mentioned above. All decisions of the judges are final. Entries will not be returned.

Prizes will be awarded to the top three entries in the high school division and the top two entries in the middle level division. All prizes will be awarded to the local chapter at the Fall Leadership Conference.

High School Chapters
